

CAMP CHECKLIST

Everything you will need to know to send your child on an unforgettable adventure this summer!!

**Inspiring, Exploring, Learning.
It's Our Mission.**

Welcome to Challenger Learning Center's Summer Camp Programs.

Our primary goal is to provide a memorable space adventure in a safe and stimulating environment. Located on the campus of Wheeling University, The Challenger Learning Center uses space exploration to excite and educate students entering grades 1 - 7 in the areas of math, science, and technology. We encourage our campers to put themselves to the test as they become astronauts and scientists for a day. Campers will make new friends and learn about each other. Please take a few minutes to review the information in this checklist. It provides answers to commonly asked questions and offers helpful information to ensure that campers are ready for a fun and rewarding camp experience. If you need additional information or have specific questions, please call 304-243-8740.

We are happy to address any special needs your child may have. Just let us know before your camp date. We look forward to sharing an exciting day of space exploration and discovery with your child and hope you do too.

Required forms

You must complete all forms and return them as soon as possible. Make sure you keep a copy of each completed form for your files before returning the originals.

- Registration Form
Complete and return this form signed by a parent/guardian.
Registration must be accompanied by payment to secure the camp date.
No refunds will be made after a camp begins.
T-shirts and patches ordered at the time of registration will be available on the day of the camp. Date returned: _____

- Health Form
Complete and return this form signed by a parent/guardian. Campers cannot start program activities without a completed and signed health form on file.
Date returned: _____

If a camper should become ill, every attempt possible will be made to reach you using the information provided. If no "hospital of choice" is indicated on the health form, the child will be transported to Wheeling Hospital in the event of an emergency.

- Release Form
Complete and return this form signed by a parent/guardian.
Date returned: _____
